- **KEEP LOGO BREATHING SPACE**
Our logo mark and typography are important, they should be given space, allowed to be noticed.

The best way to do this is to use the following guide to ensure that nothing is too close to the logo:

DONT'S

- **DON'T CHANGE THE COLOUR OF THE LOGO MARK AND TYPOGRAPHY**
Never change the colour of our logo mark and typography, always use the RGF colours.

RGF is represented by the whole logo mark graphic and typography. Never create/use any other logo or icon found from another source.
