

Responsible Gaming Foundation

WHO WE ARE

The Responsible Gaming Foundation (RGF) is a non-profit organization based in Malta, dedicated to encouraging a culture of responsible gaming through awareness, education, support, and the promotion of alternative leisure activities. Recognizing the impact gambling can have on individuals, families, and communities, RGF actively engages stakeholders across society to promote healthier attitudes and behaviors around gambling. Through targeted educational initiatives and outreach programmes, the foundation provides practical tools and resources, empowering people to make informed choices.

Additionally, RGF offers confidential support services to those affected by gambling-related harms, creating a safe and empathetic environment for recovery. Beyond intervention, RGF believes prevention is Paramount, proactively working to raise public consciousness on responsible gambling practices. Ultimately, the Responsible Gaming Foundation's mission is to safeguard the well-being of individuals and the wider community by reducing gambling-related harm and championing a balanced, mindful approach to gaming.
